**PETITION TO REVIVE UNINTENTIONALLY ABANDONED
APPLICATION (37 CFR 1.137(b))**

Mail Stop Petition

Assistant Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

Applicant hereby files this Petition to Revive Unintentionally Abandoned Application pursuant to 37 CFR 1.137(b).

This Application went abandoned on June 19, 2003, for failure to respond to The Ex Parte Quayle Office Action dated December 19, 2002.

In this application, an Office Action was issued on December 19, 2002 requiring the surrender of the original patent. However the original ribboned Patent has been lost or is inaccessible. Enclosed, is a Statement As To Loss of Original Patent, required in response to the Office Action.

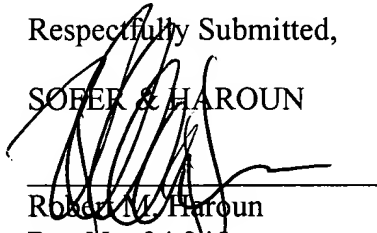

Pursuant to 37 CFR 1.137(b)(3), it is affirmatively stated that the entire delay in filing the required reply until the filing of this grantable petition was unintentional. Further, pursuant to 37 CFR 1.137(b)(2) the required fee under 37 CFR 1.17(m) of \$665.00 is enclosed herewith.

As such, Applicant hereby submits this Petition to Revive Unintentionally Abandoned Application and accompanying Statement As To Loss of Original Patent, and respectfully requests that the Abandonment be withdrawn, and the application proceed to issue based on the enclosed submission of the Statement As To Loss of the Original Patent. The U.S. Patent Office is authorized to charge any additional fees to deposit account number 19-2825, order number 693-009.

Respectfully Submitted,

SOBER & HAROUN
